

IQTouch C Pro Series

IQTouch C Pro will create a collaborative and interactive atmosphere in the workplaces, where colleagues could work together by casting their devices wirelessly. Except for the easy annotation and crystal clear presentation, it also supports video conference helping you collaborate and share smarter and thus boost the teamwork outcome.

Cast mobile devices on the IQTouch C screen wirelessly or use them to control the screen smarter

Support the group video conference with the third-party application and external camera

10-point touch and 4K UHD Display

Free annotation on the desktop or any third-party application

Plug-n-play multimedia devices for fast presentation with rich ports

Specifications

Model	LE065MD	LE075MD	LE086MD	LE098MD
